THE ORGANIZATION OF AMERICAN STATES

The Organization of American States (OAS) unites the 21 republics of the Western Hemisphere for the common purpose of maintaining the peace, ensuring freedom and security, and promoting the welfare of all Americans. The member states are Argentina, Bolivia, Brazil, Chile, Colombia, Costa Rica, Cuba, the Dominican Republic, Ecuador, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru the United States, Uruguay, and Venezuela.

The OAS is an outgrowth of the International Union of American Republics, created in 1890 during the First International Conference of American States, held in Washington, D. C. Today, it operates through a large number of agencies and institutions throughout the Hemisphere, all contributing to the objective of preserving the peace and security of the member states and promoting, by cooperative action, their economic, social, and cultural development. The Pan American Union, the central and permanent organ and General Secretariat of the OAS, has its headquarters in Washington, D. C.
